

Promote the health and welfare of the troops who train at Camp Perry.

3rd Newsletter
October 2006

Our August meeting was very productive. We received our permit to operate on Camp Perry as a nonprofit organization. We are continuing to work on getting 501c3 status and an insurance policy for the Friends of Camp Perry. We have received a letter from the Secretary of State that we are a nonprofit organization.

As you all know, membership is the backbone of any organization. The granting of these permits means we can actively pursue our membership drive and make our motto of promoting the health and welfare of the troops who utilize Camp Perry become a reality and have fun doing it (the fun part is a key ingredient). Please mail all membership forms for new members to Mark Putnam, 1511 N. Walker St., Graytown, OH 43432.

A discussion was held on fund raisers. We discussed a golf outing, but due to time constraints and dates the golf course had available we are going to have a golf outing in October 2007 at the Oak Harbor Golf Course.

2007 is a premier year for Camp Perry; it will be 100 years old. The Friends have been asked to participate in the celebration. We are eagerly looking forward to working with the Camp Perry leadership in making 2007 a year to remember.
